What is VAT Submission for Making Tax Digital?

A simple to use software solution recognised by HMRC for Making Tax Digital.

Nolan Cloud Services VAT Submission app provides the functionality of a Link between your Accounting app and HMRC.

What is 'Making Tax Digital'?

Making Tax Digital (MTD) is a government initiative where VAT-registered businesses with a taxable turnover below £85,000 will be required to follow Making Tax digital rules for their first return starting on or after April 2022 (read more about it here).

VAT Submission for Making Tax Digital is a software solution recognised by HMRC created for this purpose.

What is Nolan Cloud Services?

Nolan Cloud Services (NCS) is the cloud platform behind VAT Submission for Making Tax Digital. Built on Microsoft Azure, it comprises several apps that can be accessed anywhere at any time using a web browser.
