

Submitting Your VAT Return to HMRC

Last updated: March 24, 2022

Setting up a New Entity

An **Entity** is a legal body required to pay VAT to HMRC. An **Entity** can contain multiple companies and will be given a **HMRC VAT Registration Number** informing you of its obligation to pay VAT.

To create a New Entity within Nolan Cloud Services, start by selecting VAT Submission on the NCS Home Page.

VAT Submission

You will now be presented with the screen below which details all your current **Entities** registered with NCS.

To create a **New Entity**, click **New**. You will now be faced with the below instructions detailing how to create your **New Entity**.

Create a new VAT Entity

Create

You must have MTD enabled in your HMRC Account to submit VAT through this service.

- 1. Enter the details for your new VAT Entity. VAT Registration Number is the 9 numeric digits without any spaces. E.g.
 - ✓ Valid 123456789
 - X Invalid GB 123 456 789
 - X Invalid GB 123456789
 - X Invalid GB123456789
- 2. Click the 'Create' button.
- 3. You will be redirected to HMRC's website where you will be required to login using your HMRC credentials.
- 4. You will be asked to grant access to Nolan Cloud Services to be able to read and update your VAT details.
- 5. Once access has been granted you will be redirected back to Nolan Cloud Services and your new VAT Entity.

To **Submit** your **VAT Return**, **Select** the **Obligation** you wish to **Submit**.

You can see that the **Obligation** we have selected is listed as **Open** under **Status**. This means it is yet to be **Submitted**.

The other **Obligation** is listed as **Fulfilled** which means it has **Already Been Submitted** to HMRC.

Once you have **Selected** the correct **Obligation**, click **Submit to HMRC**.

You will then be faced with a **VAT Submission Declaration** as seen below.
